## L.E.A.D. Program Information

### BIBLE CAMP

The L.E.A.D. Program is designed to help young people develop Christian leadership qualities and skills in the camp environment. L.E.A.D. participants will be involved in leadership training activities, practical training and special L.E.A.D. activities specific to their program.

#### **LIT (Leader In Training) Program**

In their first week, LIT's will participate in a series of training sessions that will put them out of their comfort zones and give them an opportunity to grow in their relationship with Jesus Christ, while also preparing them to be a Cabin Leader. LIT's who complete training will spend the second week in the cabins, assisting a senior Cabin Leader with cabin leadership responsibilities. Duties will also include assisting senior skill activity instructors in various skill programs. LIT's will lead daily skill sessions, Bible studies and discussion times.

#### **Junior Cabin Leader Program**

Having successfully completed the LIT Program, Junior Cabin Leaders will participate in the complete camp activity schedule as an assistant to a senior Cabin Leader. This program will focus on practicing new leadership skills and being disciplined by a senior Cabin Leader.
